STI KEYBOXES

Protects emergency keys and documents, while keeping them accessible in the event of an emergency.

What do you do when the keys to your fire alarm system, exit doors and so forth must be available in an emergency, but you don't want to just hang them on a nail? The answer is the STI Keybox. Available in three sizes, the keyboxes allow the keys to remain visible and available in the event of an emergency.

The glass provides an effective deterrent against theft. The keyboxes are inexpensive and easy to install, and are supplied with fixing kits. Inexpensive replacement glass is also available.
